ANNUAL CONFERENCE 2012

Date: Tuesday 28 February 2012

Venue: Cranmore Park, Birmingham

Cost: £185+VAT for Brake subscribers, £315+VAT for non-subscribers
Non-subscriber rate includes one year FREE subscription to the Fleet Safety Forum

Attendees to the 2011 conference rated the event an average of **8.6 out of 10**

The 9th annual Fleet Safety Forum Conference - Best of the Best - provides fleet managers with an opportunity to hear detailed case studies from fleet safety managers and suppliers who have won Fleet Safety Forum Awards for best practice, along with the latest developments in fleet safety research and policy.

Topics include

- **Drivers:** Achieving organisational buy-in to a safer driving culture
- **Vehicles:** Improving safety through efficiency
- **CSR:** Community partnerships and environmental sustainability

Peter Weston, Transport Manager, Home Retail Group says:

"Excellent conference - thought provoking speakers, giving great insights into road risk management. I will take away a lot of great ideas."

Speakers include

- **Dave Abbott** - Technical Director, Cardinus
- **Dale Eynon** - Head of Fleet Operations, Environment Agency
- **Andrew Kemp** - Occupational Road Risk Manager, Tesco Dotcom
- **Rory Morgan** - National Logistics General Manager, Iron Mountain
- **Tyler Stilwell** - Global Road Safety Leader, Cummins Inc.
- **Julie Welch** - Health and Safety Manager, Cemex
- **Martin Starkey** - Business Development Manager, Peak Performance
- **Shaun Helman** - Principle Psychologist, TRL
- **Dr Will Murray** - Research Director, IDS

The event is organised by the Fleet Safety Forum, a division of Brake, the road safety charity, and kindly sponsored by
